Spider
took a walk
and saw a
lovely palm
tree

érase-un fino listón
que llevado por el viento-
-en las bellas ramas de
-una palmera se -enlazó

tan a gusto se sentían
que-al rato se casaron
y tenemos como resultado
-este lazo de-amor

SOON THEY WERE MARRIED

AND HAD
ALOT OF
CHILDREN

entre el listón y la palmera
(hay un lazo de amor)

entre el agua y la tierra
(hay un lazo de amor)

The
Children
all
were
Spider
plants

entre el árbol y las nubes
(hay un lazo de amor)

entre yo y mi mamá
(hay un lazo de amor)
